

Sharper Focus Wider Lens presents

Supporting Evidence: Truth in Uncertain Times

Attacks on science and claims of fake news have clouded discussions and debates of our most pressing societal and global issues. We are also in a moment when many question the ways we expand knowledge and the voices who are heard in its creation. This panel will explore questions of seeking, defining and communicating "truth."

Dr. LeConte Dill
African American and
African Studies

Dr. Kevin Elliott
Fisheries and Wildlife
Lyman Briggs College
Philosophy

**Tuesday, November 16th
at 7 PM in the MSU Union Ballroom**
