

University Integrative Studies Substitution Summary

This summary provides a starting point for planning substitution courses for IAH, ISS, ISB, and ISP, but is not an exhaustive list. Note that any substitution course not listed in the appropriate category on the SIS degree audit requires approval from an Honors College advisor using the Honors College University Requirements Substitution Request. Click [here](#) for more information.

ONLY HONORS SECTIONS in IAH, ISS, ISB and ISP departments are acceptable in fulfilling University Integrative Studies.

1 course in **WRITING** (replaces WRA 101)
